Merry Christmas and Happy New Year

Wow, time has flown by. It feels like we just started school and now we are at Winter Break. I would like to thank you and the students for making the first months of the year a success and I look forward to continuing our work together.

We had a great celebration today. The kids enjoyed your generosity with donations for our breakfast which made for a wonderful morning. Thank You!

Lastly, I hope that the holidays bring joy and happiness to you and your families. I would like to wish you all a very Merry Christmas and a Happy New Year. See you next year!

Mr. J. Williams

Homework over break

There is going to be homework over the break. I am asking the students to read for 15 segments of 30 minutes. They can read multiple segments in one day if they wish. They have a simple reading log to keep track of time and pages read. I do ask that parents sign that their student has read. Also, some students have not yet finished their TenMarks that were due last week. If they have time they might want to consider completing these assignments.
