## High Sierra Newsletter Special

As promised this newsletter is dedicated to the High Sierra Field Trip. This science field trip is a great experience and highlight of this school year. I hope that I will address many of your initial questions in this newsletter, but rest assured I will keep you updated as our trip draws near. If you have a specific question please feel free to email me anytime.

*Mr. J. Williams*

## Chaperones and Drivers

We are allowed only 4 chaperones for this field trip including our mandated medical chaperone. We will need 2 female and 2 male chaperones to bunk with the students in their cabins. Multiple drivers will also be needed for both Wednesday and Friday to transport students and their luggage to and from camp. If you are interested in Chaperoning or available to drive please email me. Depending on how many parents sign up I will simply draw names.

## Cost and Fundraising

The cost for the 3-day 2-night trip is \$141 dollars per student. Through earlier fundraising opportunities this year some students have already been able to pay for their entire trip. We are going to have one more fundraising opportunity. On April 7<sup>th</sup> we will have a **Jog-A-Thon** on our school track. Students will have 1 hour to run the ¼ mile track as many times as they can. In the Monday Folders going home next week there will be additional information as well as the pledge sheet. For those that have already raised enough money, they may opt to raise money to help others in class. ***All students no matter fundraising or not will participate in the Jog-A-Thon.***
