Class Elections

Students will be presenting their speeches for Class Officers this week as part of their Class Election Final Project. On Wednesday, November 2nd at 8:30 a.m. those students running for the offices of Secretary of the Treasury, Attorney General, and Chief of Staff will deliver their speeches. On Thursday, November 3rd at 8:30 a.m. those running for President, Vice President, and Secretary of Commerce will deliver their speeches. I will video the speeches and post them online for those parents that are unable to come and watch. On Tuesday, November 8th students will be going to “The Polls” to vote for our class officers as well as casting their vote for President of the United States. Class winners will be announced on Wednesday, November 9th.

I am going to be asking the kids to watch the United States Election results on TV the night of November 8th. They will have a map that they will fill in while they are watching. I understand that not everyone has the ability to watch the election results at home but if you do please watch it with your student.

Grades and Parent Teacher Conferences

Grades will be closing on November 4th and sent home during the week of November 7th. As you are aware Parent Teacher Conferences are scheduled for this coming week and during your conference time I will have a breakdown of how your student is doing as well as those areas that need to be worked on. The conference schedule has been posted to the class website blog. If you are unable to attend your scheduled conference time please email me as soon as possible for a makeup time. I thank you in advance for your help and patience during this stressful time of year.

Spirit Week and Halloween Costume Guidelines

This week is **Spirit Week** at STREAM. Below are the scheduled events and the rules that have been put in place.

Field Trips

We currently have three field trips on the books. Two of these field trips are planned in the month of November. On Wednesday, November 9th we will be going to the State Theater for a musical Performance. Permission slips will be going home Monday. Drivers are needed for this trip. We will be leaving school around 9:00 a.m. and returning around 10:30 a.m. The second field trip is to the Hope Center on Thursday, November 17th. Permission slips for this trip should be coming home next week. If you are able to drive for one or both of these trips please indicate so on the permission slips.

Over Night Field Trip

The date of our overnight Field Trip for the outdoor education experience to High Sierra has been finalized. We will be leaving on Wednesday, May 3rd and returning on Friday, May 5th. I have not discussed this yet with the students but will do so as we get closer to the date but I did want to give parents a heads ups of the date. A parent information night will be held sometime in February. This will be your opportunity to learn more about this science field trip and to ask questions of the program director. Another reason I am mentioning this now is I would like to begin the fundraising process for the students to help defer the cost of the trip. I have a few ideas but it would be appreciated and helpful to have a parent or group of parents lead this. If you are interested in helping in any way please email me.
